

SCHOOL DISTRICT COMMITMENT TO LEARNING RESULTS

NEPN/NSBA Code: ADF

The Fayette School Committee hereby adopts the system of learning results and the Maine Department of Education's applicable rules. The learning results system is intended to serve as a foundation for education reform and to promote and provide assessment of student learning, accountability and equity. The Committee recognizes that the legislative intent of the learning results system is to provide children with schools that reflect high expectations and create conditions where these expectations can be met.

The Committee directs the Superintendent to develop a plan and timeline for implementing the learning results system and any appropriate administrative procedures. The Committee further directs the Superintendent to report to the Committee at the end of each trimester on progress toward implementing the learning results system.
