

EXPULSION OF STUDENTS

No student shall be expelled from school except by action of the Fayette School Committee/designee. Following a proper investigation of a student's behavior and due process proceedings conducted in accordance with 20-A MRSA § 1001(8)(A), the Fayette School Committee/designee shall expel the student, if found necessary for the peace and usefulness of the school, as provided in 20-A MRSA § 1001(9) and (9A).

The Fayette School Committee/designee also has the authority to readmit an expelled student on satisfactory evidence that the behavior which was the cause of the student being expelled will not likely recur.

NOTICE OF EXPULSION HEARING

Before any expulsion hearing, the Superintendent/designee shall:

- A. Provide written notice, by regular and certified mail, to the parents/guardians and the student informing them of:
 1. The date, time and location of the hearing;
 2. A description of the incident(s) resulted in the expulsion hearing;
 3. The student's and parents/guardians' right to review the school's records prior to the hearing;
 4. A description of the hearing process, including the student's right to present and cross-examine witnesses and his/her right to an attorney or other representation; and
 5. An explanation of the consequences of an expulsion.
- B. Invite the parents/guardians, Superintendent of Fayette School Department and the student to a meeting prior to the expulsion hearing to discuss the procedures of the hearing.

EXPULSION HEARING

The hearing shall be in a properly called executive session and may also be attended by persons designated by the Superintendent/designee to present information in the case.

Upon making a decision to expel a student, the Fayette School Committee/designee may:

- A. Expel the student for a specific period of time not to exceed the total number of instructional days approved by the Fayette School Committee/designee for the current year; or

- B. Expel the student for an unspecified period of time and authorize the Superintendent/designee to provide the expelled student with a reentry plan, to be developed in accordance with 20-A MRSA § 1001(9-C), specifying the conditions that must be met in order for the student to be readmitted to school after the expulsion.

After the expulsion hearing, the Fayette School Committee/designee shall provide written notice of its decision to the parents/guardians and the student by certified mail.

Nothing in this policy shall prevent the Fayette School Committee/designee from providing educational services in an alternative setting to a student who has been expelled.
