

Dear Parent/Guardian,

During the upcoming holiday season, the school nurses will work closely with local food pantries, fire stations, churches, businesses, and community members to provide new clothing and toys to children who might otherwise not receive any presents for the holidays.

If you need help this holiday season, please complete the enclosed application and return it to your child's school nurse **no later than November 1st, 2017**. The earlier we receive your request, the more likely we will be able to assist you.

Gift tags will be hung on local giving trees, but no identifying information is shared. You will be informed when and where to pick up your child's gifts before the holidays.

Please note, in order to coordinate this program the nurses do communicate with key personnel at the various organizations, but they maintain a high level of confidentiality at all times.

If you would like to **provide gifts** for a child, please contact your school nurse. We thank you for your support.

Wishing you and your family a joyous holiday season,

Sincerely,

The School Nurses

(Jada Clark, Angela Palmer, Vicky Gabrion, and Ellen Turgeon)
