3	Thank you so much for asking our opinion!	3/20/2018 11:03 AM
4	Has anyone considered cancelling April vacation? There's your days.	3/20/2018 9:37 AM
5	Full days are best. 3 hrs at a time does nothing. Taxes are paying for education not miscellaneous fun time or down time.	3/19/2018 8:13 PM
6	Please do not extend the school day. It creates a lot of issues for after school activities that parents have planned and paid for.	3/19/2018 5:04 PM
7	ADD ONE EXTRA HOUR ON EVERY FRIDAY	3/19/2018 2:01 PM
8	We should get rid of all of the teachers workshop and half days and put them at the end of the year	3/19/2018 1:41 PM
9	My second choice would be to do 2 full Saturdays.	3/19/2018 1:09 PM
10	Please make sure the option includes making sure that the seniors fulfill their required school time. the sooner the better while the kids are still in school mode. Nothing gets done if the school year is extended.	3/19/2018 12:23 PM
11	Just add the days to the end and make our last day the 22nd of June	3/19/2018 11:33 AM
12	maybe take off some of our april break?	3/19/2018 11:23 AM
13	Take some of April Break days	3/19/2018 11:18 AM
14	My opinion is to remove as many 1/2 days as possible then add hours to the day.	3/19/2018 11:00 AM
15	no saturdays	3/19/2018 10:56 AM
16	It appears that the fourth option down was not calculated correctly as a full day on June 18 would only account for an additional 3 hours, not 6. Maybe June 19 could be a full day as well, bringing the total number of hours to 12.	3/19/2018 10:56 AM
17	Ask the state for a waiver to have them excused.	3/19/2018 10:36 AM
18	Why not add an extra hour to the school day for a whole month so the students and teachers can get out earlier in June? It could be a supervised study hall in their advisor space allowing students to do homework, get special help from specific subject teachers if needed and teachers can use the time for planning/grading.	3/19/2018 9:26 AM
19	Use 2 of the April vacation days ... Monday and Tuesday	3/19/2018 9:09 AM
20	I think we should have 1/2 days on work shop days that are left and have school on April vacation. April vacation is 4 days right there.	3/19/2018 8:50 AM
21	Keeping in mind that the days need to be productive and educational, not just attending for the sake of making up time.....	3/19/2018 8:45 AM
22	Whatever option get's them out the earliest. Going past June 19 runs into other programs / commitments that parents have made.	3/19/2018 8:25 AM
23	going into the summer longer normal days	3/19/2018 8:23 AM
24	Remove three days Tuesday, Wednesday & Thursday from April vacation.	3/19/2018 8:19 AM
25	Take it out of our spring vacation.	3/19/2018 8:15 AM
26	Making the kids go to school for half days over April vacation	3/19/2018 7:34 AM
27	Working in school on Saturday means I can't work my other job(s) on Saturday and that means my family loses money.	3/19/2018 7:19 AM
28	make up all the days at the end of the year but make them all half days	3/19/2018 7:18 AM
29	Eliminate teacher workshop days & make them student days.	3/18/2018 7:57 PM
30	What about the friday beffore april vacation?	3/18/2018 5:52 PM
31	I think lengthening the days would be difficult for early grades that are worn out by 2:30	3/18/2018 5:18 PM
32	Get the wind storm days forgiven.	3/18/2018 1:33 PM
33	I am not in favor of adding hours to the school day, as many after school activities would be impacted.	3/18/2018 12:44 PM

34	Please do not do Saturday classes because not enough kids will show up, and please do not add on an hour to our day because that will mess up sports tremendously	3/18/2018 10:10 AM
35	Make April 13th a 6 hour day for elementary schools to make up for 6 of the 12 hours, use 3 hours on May 8th and then add 1 hour to 3 days	3/18/2018 12:04 AM
36	The 4th and 6th bullet don't make sense to me since the 4th option uses less days to cover the gap, but the 6th option seems to use May 8th the same, but the end date is a day later...	3/17/2018 10:14 PM
37	What about using the April 5 and May 8... then the extra hour for 6 days?	3/17/2018 6:28 PM
38	I like the option I chose, but think it only accounts for 3 three-hour slots. The second option down from that checked would add 5 three-hour slots (one 5/8, one 6/18, two 6/19, and one 6/20). Could we not do 5/8, full day 6/18, and full day 6/19?	3/17/2018 4:16 PM
39	I have April 5th as an early release. Can we have that as a full day?	3/17/2018 3:18 PM
40	Only weekends, it goes faster	3/17/2018 2:47 PM
41	no spring break	3/17/2018 1:49 PM
42	4 weeks of 1/2 hour extra, then make May 8th a full day?	3/17/2018 8:46 AM
43	Extend the school year to make up the days.	3/17/2018 7:12 AM
44	Additional time tacked on - Be it 1 hr for 12 days or 30 min for 24 or some other variation - but not the 1 hr on last 12 days...start now.	3/16/2018 10:49 PM
45	I would support going to school through April vacation and making any additional workshop days, 1/2 days for students instead of full days off.	3/16/2018 10:38 PM
46	April vacation shortened	3/16/2018 10:24 PM
47	Take away school vacation days and teacher workshop days so the kids have a longer summer break	3/16/2018 9:43 PM
48	We would rather use fours during April break instead of any of the options listed here.	3/16/2018 7:58 PM
49	School during April vacation	3/16/2018 7:14 PM
50	We discussed this as a family. We all like this idea, including our 8th grade daughter. School on May 8th, one Saturday and 1/2 day on June 19th.	3/16/2018 5:43 PM
51	I don't know who is kidding who here. We all know that these extra days/hours are not really learning time. It is just to get the time in to satisfy your he state.	3/16/2018 4:39 PM
52	I am concerned as how this would look if we have additional storm days?	3/16/2018 4:09 PM
53	Forgo April vacation to make up for the time lost to snow days. This wasn't listed with the other options but it seems an awesome solution!	3/16/2018 3:43 PM
54	How about Cutting into April vacation?	3/16/2018 2:51 PM
55	I do not believe Saturdays or extra hours after school are conducive to student learning. They are outside of the routine. Stick with what students and families are accustomed to: 8 to 2:30 during the regular week.	3/16/2018 2:40 PM
56	I greatly appreciate letting us give some input. Personally I work during the week so if my child is in school that's okay, my weekends are the only time I have with them so I would rather they not be in school on a Saturday. THANK YOU!! :)	3/16/2018 2:34 PM
57	Spring break	3/16/2018 2:31 PM
58	My daughter happens to work on Saturdays, so she would not be attending if school is on Saturday. I do understand, though, that not all students are in that position.	3/16/2018 2:19 PM
59	Cancel April vacation.	3/16/2018 2:16 PM
60	We could take a couple days off of April Vacation	3/16/2018 1:35 PM
61	Let's try to keep it as normal as possible. What would get accomplished outside of regular schedule because I could see Saturdays and an extra hour being chaos.	3/16/2018 1:32 PM
62	One our extra can be a study hall for older students and play/recess for elementary age students.	3/16/2018 1:30 PM

63	I am NOT in favor of any Saturday options- As we have purchased ski passes, etc. with Saturday plans already created....	3/16/2018 1:24 PM
64	Add 1 hour to the day, but do 30 minutes in the morning, and 30 minutes after normal school times. So it does not affect after school activities that bad.	3/16/2018 12:42 PM
65	No Saturdays!	3/16/2018 12:29 PM
66	How about having teacher workshops on weekends or doing half days when weather allows for it like last tuesday	3/16/2018 12:00 PM
67	what will happen for seniors?	3/16/2018 11:34 AM
68	Wouldn't hours after school mess with spring sports?	3/16/2018 11:02 AM
69	My kid is not going to school on Saturday.	3/16/2018 10:57 AM
70	I like the one I chose because I don't want extra hours at the end of every day and i want to get out of school on the nineteenth.	3/16/2018 10:28 AM
71	Today March 16th should have been a school day!!!!!!!!!!	3/16/2018 10:11 AM
72	Stop taking so many for workshops. Have those during student vacations. Many of these kids have jobs preparing them for adulthood, extended hours and Saturday would affect that adversely.	3/16/2018 10:01 AM
73	Give up a couple of or days in April break	3/16/2018 9:55 AM
74	Make May 8 a full student day and add 1 hour to each school day for 9 days.	3/16/2018 9:49 AM
75	Takes care of it quickly, without adding extra hours to the day, which would not likely be used effectively.	3/16/2018 9:48 AM
76	Taking away weekends is not a good idea! How about move teachers workshops to the end of the year after students are released.	3/16/2018 9:25 AM
77	is there an option to waive any of the 3 days we missed in October?? Kinda out of our control. Mother nature at it's best...	3/16/2018 9:25 AM
78	Request a waiver from the State for the days missed at the end of October because of the storm	3/16/2018 9:23 AM
79	Saturday is not an option in the spring due to family and community commitments. I also have concerns about low student turn on a Saturday as I would not expect my child to attend school on a Saturday when other options are and have been available.	3/16/2018 9:16 AM
80	Forgive the days missed due to the state of emergency during October.	3/16/2018 9:16 AM
81	Cancel the half day on 5 April and the In-service comp day on 13 April	3/16/2018 9:15 AM
82	These choices may be a little premature as we may have more no school days. What then, add more Saturdays?	3/16/2018 9:15 AM
83	We should just add more days at the end of the year- the kids need the days in school to learn.	3/16/2018 9:11 AM
84	I believe adding an hour to a day or adding a Saturday would be very confusing to the younger students.	3/16/2018 9:06 AM
85	Use two days of April vacation	3/16/2018 9:04 AM
86	Okay with Sat. Option too, but not sure with end date for all options.	3/16/2018 9:02 AM
87	We only need to make up 4 days. That's only one weekn. We should just have an extra week, it's not that hard to make up.	3/16/2018 8:57 AM
88	I think there would be very low attendance on a Saturday and it would conflict with plans already made by many.	3/16/2018 8:48 AM
89	Adding an hr to the school day seems ridiculous to me. Many people plan appointments and after school activities around the time that school already lets out.	3/16/2018 8:45 AM
90	How about try not to cancel so many school days. We live in Maine and should be able to handle a little snow. Working parents have been forced to be part time employees this school year. A bit of a hardship for working parents	3/16/2018 8:40 AM
91	April break could be shortened	3/16/2018 8:37 AM

92	Take a way vacations. Ymthey just had a February they don't need April. And on half days make full days. And on starch workshops make it a school day.	3/16/2018 8:35 AM
93	Adding an hour to the school day just makes sense.	3/16/2018 8:17 AM
94	April 5 VAC could be shortened?	3/16/2018 8:15 AM

98	Thank you for sending out the survey to get everyone's opinion!	3/16/2018 7:42 AM
99	Adding Saturdays or 1. More hour will effect students who play sports and work	3/16/2018 7:37 AM
100	have students go to school 3 days of april vacation. give long weekend on each end	3/16/2018 7:36 AM
101	Take April 5th and 13th and make full school days. Keep May 8th a full student day and extend final day until end of year.	3/16/2018 7:35 AM
102	Could we use 3 days (T/W/TH) of April break?	3/16/2018 7:32 AM
103	I must work another job after school, and would not be able to make it there on time if we lengthened the school day. It is important that I keep two jobs.	3/16/2018 7:24 AM
104	Request the state of Maine to revisit the possibility of forgiving the three State of Emergency storm days in October.	3/16/2018 7:21 AM
105	Not a fan of Saturday's. Any if tree other options I would be ok with. As a fault with two working adults, that did not work in a school, weekend days are our only family time. Extending the school day slightly, or going a couple of days at end of year will have the last impact on my family.	3/16/2018 7:17 AM
106	Make April 5th also a full student day and then only 6 days of an hour added to each day to make up the time.	3/16/2018 7:12 AM
107	I feel there will be too many missing students on a Saturday but the additional hours would be less noticeable.	3/16/2018 7:10 AM
108	No Saturday's please. Weekends are family time and very important for kids, parents, teachers to have that time.	3/16/2018 7:10 AM
109	Eliminate April vacation	3/16/2018 7:08 AM
110	Do not start the Saturdays until after April break.	3/16/2018 7:08 AM
111	Make up the time during April holiday. There have been more than enough holidays, snow days and days off this year without the need of a week of for nothing	3/16/2018 7:06 AM
112	I guess there is some confusion about how extending May 8th to make it a full day would, in fact, help us in any way to make up the needed days. It is already considered a full day. If that rationale were true then every full day counts for two days??? I understand when we add an hour onto a day that is already a full day that this would count to make up the needed hours.	3/16/2018 7:03 AM
113	Saturday is family day!	3/16/2018 7:02 AM
114	Adding the extra hours to the school day as soon as possible, I feel would be the most effective use of the educational system. Adding days or hours at the end of the year is useless. All involved are " in vacation mode".	3/16/2018 7:01 AM
115	Or add 30 minutes at the beginning and the end of the days for as long as it takes to get out at the earliest date.	3/16/2018 6:38 AM
116	Let us be respectful of teachers who need their weekends to recharge. The end of the year is stressful on them as it is. Adding time at the end of days would seriously affect the learning of those in spring sports. Add real days where true educational opportunities exist.	3/16/2018 6:32 AM
117	Also like the May 8 + 9 days with an extra hour. Would like the last day to be as early as possible. I'm worried that we aren't done with snow, yet....	3/16/2018 6:22 AM

7	Little League and other spring sports are on Saturdays. It has been a long hard winter and these kiddos need their time outside. 3 hour instructional days are plenty!! I would be happy if we could just end the school year on the scheduled last day.	3/19/2018 10:08 AM
8	I really don't like any options that include 'June 18, June 19, June 20, June 21. That is way too late for anyone to be in school. Cut days from Spring Vacation -- add extra hours to days, whatever has to be done to get the kids and teachers out of school by June 15 at the latest.	3/19/2018 9:26 AM
9	Use April vacation days x3 and full day may 8th	3/19/2018 9:09 AM
10	I think we should have 1/2 days on work shop days that are left and have school on April vacation. April vacation is 4 days right there.	3/19/2018 8:50 AM
11	It would be much easier to take any of the teachers workshops and make those a school day and have the teachers go in on a Saturday for a workshop. Much easier to coordinate this way. This should have been done for the March 16th workshop that just occurred.	3/19/2018 8:45 AM
12	We have a combination of grade school with middle and high school students. Asking grade school students to take even an hour out of their much anticipated weekends, isn't fair to them. Taking part of a half day away and going further into the summer is much less traumatic	3/19/2018 8:21 AM

33	Anything that is not on a Saturday.	3/16/2018 1:54 PM
34	get a waiver for the 3 storm days in the fall	3/16/2018 1:40 PM
35	Not voting for any of these	3/16/2018 1:30 PM
36	Add 1 hour to the day, but do 30 minutes in the morning, and 30 minutes after normal school times. So it does not affect after school activities that bad.	3/16/2018 12:42 PM
37	No Saturdays!	3/16/2018 12:29 PM

39	I picked 3rd option but then only have 3 days of one extra hr of school and be done on the 20th of June.	3/16/2018 11:26 AM
40	The non saturday options are confusing to me. Prefer no Saturdays. Fine going until the 21st half day (we have vacation plans the 22nd).	3/16/2018 10:35 AM
41	I'd rather get out earlier and do a Saturday than go until the 21st.	3/16/2018 10:28 AM
42	How many late-start Wednesdays are there left that an hour could be added to?	3/16/2018 9:58 AM
43	None of these	3/16/2018 9:28 AM
44	maybe year round schooling should be investigated. as long as we live in Maine there will always be the potential for this type of situation to occur. Having to go longer in the month of June to make up snow days is hard enough when children and their families are looking forward to that time. Summer is so short in Maine !! We need all of it that we can get. Thanks	3/16/2018 9:25 AM
45	Dido	3/16/2018 9:16 AM
46	Do the 3 hour option	3/16/2018 9:16 AM
47	Use two full days of April vacation	3/16/2018 9:04 AM
48	Okay with two Sat. Would like Sat. With 1 hour per day option	3/16/2018 9:02 AM
49	Having students in school on Saturdays is my last choice under all scenarios, however, if this is chosen, I would ask that the school board consider making these Saturdays community service days - community service could be done with advisors, individual teachers, parent lead or community groups. I think this is a far better use of our kids time on a Saturday and is a great way to reinforce what Maranacook is all about. If this option is considered, I'd be more than happy to work with teachers and administrators to identify community service opportunities. Sarah Demers sarahdemers88@gmail.com	3/16/2018 8:58 AM
50	No Saturday school or extended school days please! Cut all planned half days. Have full day of school on 4-13.	3/16/2018 8:40 AM
51	April break could be shortened	3/16/2018 8:37 AM
52	all day May 8th then one hour added to 17 school days	3/16/2018 8:24 AM
53	Two of these options seem to be the same; the 3rd and 4th one..	3/16/2018 8:03 AM
54	These are all horrible ideas..the kids already go 5 days per week 6 days a week for for 4 weeks will exhaust my kid. A longer day will have my son getting home at 440 giving him just over 2 hours before he has to go to bed.	3/16/2018 7:57 AM
55	None	3/16/2018 7:53 AM
56	No school past June 18th!	3/16/2018 7:52 AM
57	Just make May 8th a full day and take 1 day off of April break.	3/16/2018 7:48 AM
58	Maybe we need to look at reducing the amount of vacations they have. They almost always have a fri off before feb vac and April vacation. And Xmas break could be cut by a few days as well. Just for future years and we might not have run into this issue	3/16/2018 7:45 AM
59	do away with teacher workshops and have kids there all day	3/16/2018 7:36 AM
60	none of the above	3/16/2018 7:24 AM
61	My concern about Saturdays is for any children from multiple homes; who may not be able to attend if they're gone every other weekend.	3/16/2018 7:16 AM
62	Take the Wednesday-Friday during April break and make them regular school days. That is better than any of the crazy options listed here.	3/16/2018 7:12 AM
63	Can I add May 8 full day then add an extra hour for ?17 days.	3/16/2018 7:10 AM
64	No Saturday's and need to end school year as soon as possible. Summer is short enough!	3/16/2018 7:10 AM
65	Eliminate April vacation	3/16/2018 7:08 AM

66	what will a 3 hour school day accomplish other than placing a check in the box for completing a day. They are so far behind already this year, please don't do halfdays and try to make them count as full days.	3/16/2018 7:06 AM
67	May 8 full day (+3); June 18 full day (+3); June 19 1/2 day (+3); and 11 days +1 hour.	3/16/2018 7:02 AM
68	Same reasoning as above.	3/16/2018 7:01 AM
69	Use some of April vacation?	3/16/2018 7:01 AM
70	Adding time to already scheduled days reduces bus runs. Student turnout will likely be higher than adding Saturday's. It also affects family time less.	3/16/2018 6:56 AM
