November 13, 2018

Once again, it's that time of year for reflection and appreciation for all we have and the community we cherish. The Maranacook Education Foundation (MEF) board is especially grateful for our generous donors, who recognize the importance of funding in-depth, hands-on learning opportunities for our Maranacook community.

You may be asking, if I give to MEF this year who will I help? Here are two of many examples of projects MEF has funded in the past.

All kids need a place to be with friends and meet new friends. MEF supported a "Buddy Bench" to enhance a safe learning experience.

A quiet place to read is critical to learning. MEF supported a literacy cabin to encourage students to improve and enhance their skills.

The number of funding requests for these types of projects has increased, and we are hoping to fund even more creative educational efforts. We ask that you please contribute to our educational work and consider increasing your support. Also, please consider dedicating your corporate match or United Way payroll deduction to MEF.

Generous donors, like you who live and work among us, have helped MEF award more than \$37,000 to innovative learning projects based in and around our schools and community centers since 2007. Full project summaries from years past may be found at <http://www.maranacook.org/mef/>. We will soon be announcing awards for 2018-19 at www.facebook.com/maranacookeducationfoundation.

At MEF our goal is simple, we hope to leave our community a better place, enriched by supporting educational efforts to improve where we live and work. We rely on the generosity of our donors and hope you will consider helping us again this year. You may use the enclosed envelope or donate directly online using PayPal™ from our website <http://www.maranacook.org/mef/> by clicking on Donate. We gladly accept gifts any time of year that works best for you. Thank you so much for supporting the efforts of the Maranacook Education Foundation.

Sincerely,

Doug Boyink, President
Maranacook Education Foundation
