Program Title: Books for AP US History	School/Grade/Department: MCHS 10-12
Brief Program Description: AP courses are rigorous, college-level classes in a variety of subjects that give students an opportunity to gain the skills and experience colleges recognize.	
Program Objectives: We currently have 3 sections of AP US History taught by Mr. Gower. Our books are outdated and no longer match current topics in US History and we no longer have access to online resources from college board to support the class. AP US History classes provide students with the reasoning skills and enduring understandings necessary to deal critically with the main issues and documents of U.S. history	
Projected Number of Students to be Served: 40	
Program Costs: \$5,000
