Program Title: Equipment for Industrial Arts	School/Grade/Department: MCHS 9-12
Brief Program Description: There are several pieces of equipment that are 43 years old and have reached the end of their service life. Parts are no longer available and the safety of the equipment is a concern.	
Program Objectives: Industrial Arts classes serve 85 Maranacook students a semester as well as supporting the play and musical for set production. Classes impacted by this equipment include wood design, wood design honors, intro to industrial arts, boat building, and independent studies. The equipment that needs to be replaced include a forge body-\$4,000, 2 wood lathes at \$3,000 each, and two drill presses at \$2,000 each along with various handtools \$1,000.	
Projected Number of Students to be Served: 85	
Program Costs: \$15,000
