

## New Program / Position / Purchase Request

<b>Program Title:</b> Nordic Asst. Coach <i>8hrs/ week for appx. 8 weeks</i>	<b>School/Grade/Department:</b> MCMS Extra-Curricular
<b>Brief Program Description:</b> The MCMS Nordic ski program has grown in size, to 40 student athletes. For some students, the purpose is to refine their already acquired racing skills in order to compete. For others (roughly half of the students), it is to learn how to Nordic ski. This position would focus primarily on teaching students how to Nordic ski.	
<b>Program Objectives:</b> This position would work with the head coach, with the focus on teaching students how to Nordic ski, while also helping the students be a part of the team. This person would also manage the rent and ski program for the roughly 20 new Nordic skiers they are coaching. They would also help at meets, as needed. This would allow for greater skill acquisition in students, better prepare interested students to compete in high school, and allow for more supervision and support of students during practices.	
<b>Projected Number of Students to be Served:</b> appx. 20- 40	
<b>Program Costs:</b> Stipend: \$1,886
